

wired armature with foam build up, head sculpted separately with clay and makeup with my own makeup and sprayed to set with sealant

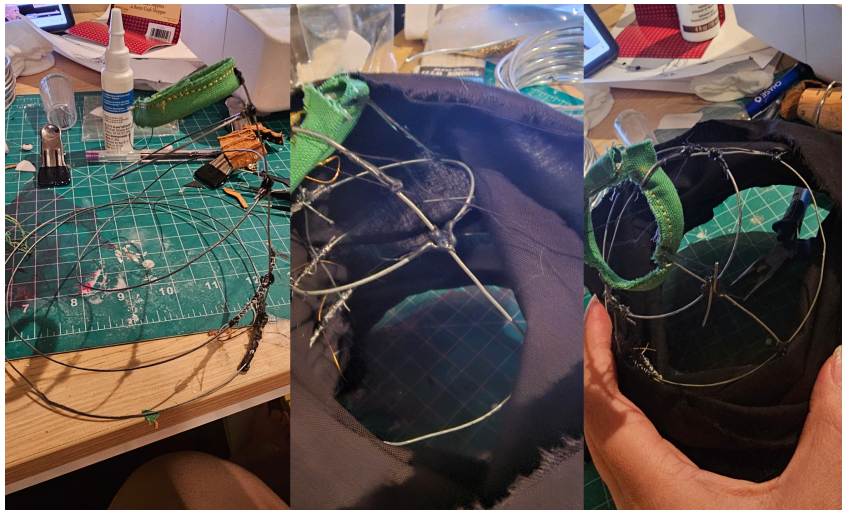

hair is made of wool felt and golden hemp. Each strand wired individually with floral wire straightened out with black hot glue. All glued to the wig cap for replacement and removal

took inspiration from laika and made the shirtwaist out of socks

Made the rose by hand with ribbon and hat out of blue velvet. Focus on differences in texture.  
Made to be posable with heavy weight black aluminium foil

Made the crinoline with wire and covered with black fabric.

handmade corset with leather and pushed eyelets in  
for lace up

opened up the head to put eyeballs I made with resin and eyelids,  
added eyelashes

(cape for fun )
